This is a Special Notice of upcoming activity authorized by the Space Act. NASA's Kennedy Space Center (KSC) will issue a Notice of Availability (NOA) on June 2, 2016, to publicize opportunities for commercial or non-government entities to develop vacant land on KSC property in accordance with the KSC Master Plan. The KSC Master Plan is available at the following link: masterplan.ksc.nasa.gov

No solicitation exists, therefore do not request a copy. The NOA will be released electronically through this FedBizOpps website on 6/2/2016 and will remain available, unless amended, until 6/1/2018. It is the responsibility of interested parties to monitor this FedBizOpps website for the release of any new or additional information.

This notice is not to be construed as a commitment by the Government to enter into any contract or agreement, or the negotiation of any contract or agreement. This notice is not a contracting opportunity involving appropriated funds. NASA will not pay for any information provided and will not provide responses received or the results of any evaluations.
