Notes: GWOT = Global War on Terrorism; BA = budget authority; HHS = Department of Health and Human Services; VA = Department of Veterans Affairs; HUD = Department of Housing and Urban Development.

Current Status includes budget authority and outlays resulting from prior year appropriations; it reflects the latest stage of action, starting with legislation filed in the committee's parent chamber.

The budgetary effects of Divisions B and D of the Conference Report to accompany H.R. 2577 (House Report 114-640) are not included in the amounts above. CBO estimates that those Divisions would result in an additional \$362 million in outlays in fiscal year 2017. For more information, see CBO's estimate dated June 24, 2016: <https://www.cbo.gov/sites/default/files/114th-congress-2015-2016/costestimate/hr2577.pdf>

Status of Appropriations Acts

- Conference: Military Construction and VA (H.R. 2577)[†]
- Passed: Defense (H.R. 5293); Legislative Branch (H.R. 5325); Financial Services (H.R. 5485)
- Reported: Agriculture (H.R. 5054); Energy and Water (H.R. 5055); Commerce, Justice, Science (H.R. 5393); Transportation, HUD (H.R. 5394); Interior (H.R. 5538); Homeland Security (H.R. 5634)

a. Currently, there is no budget resolution in place for fiscal year 2017 or the 2017-2026 period, as such, there are no 302a allocations for committees in the House of Representatives for these periods. In the absence of a 302a allocation the House Committee on Appropriations has considered, and ordered reported, interim suballocations for bills that have progressed through full committee markup. For comparison purposes, the interim suballocations that were ordered reported by the Committee on June 15, 2016 are shown above; the current status amounts for subcommittees which have not received an interim suballocation are not shown in the comparison column.

b. In accordance with section 314(d) of the Congressional Budget and Impoundment Control Act of 1974 (the Congressional Budget Act), as amended, amounts designated as an emergency requirement for fiscal year 2017 shall not count for purposes of section 302(b) of the act. Therefore, they are excluded from the current status amounts. Pursuant to section 251 of the Balanced Budget and Emergency Deficit Control Act of 1985 (the Deficit Control Act), as amended, disaster and program integrity funding are included in the current status amounts.

FY 2017 HOUSE CURRENT STATUS OF DISCRETIONARY APPROPRIATIONS

AS OF JULY 13, 2016 (IN MILLIONS OF DOLLARS)

Continued

-
- c. Amounts are subject to the discretionary spending limits in the Deficit Control Act. Those limits will be adjusted to accommodate appropriations designated pursuant to section 251(b)(2) of the act.
- d. Certain provisions included in fiscal year 2017 appropriations acts would result in a change in revenues; those amounts are not included in this table. CBO estimates that:
Sec. 111 of H.R. 5485 would result in a revenue loss of \$210 million in fiscal year 2017 and \$100 million in fiscal year 2018, for a total revenue loss of \$310 million over the 2017-2026 period;
Sec. 136 of H.R. 5485 would result in a revenue loss of more than \$500,000 in fiscal year 2017; and
Sec. 626 of H.R. 5485 would result in an increase in revenues of \$4 million over the 2017-2026 period.
- e. CBO cannot determine the budgetary effect of Sec. 1204 of H.R. 5485, but estimates that enacting Sec. 1204 would have a significant effect on both direct spending and revenues; those effects are similar to the estimated effects of H.R. 427, the "Regulations in Need of Scrutiny Act of 2015," which was reported by the House Committee on the Judiciary on April 15, 2015. For more information, see CBO's cost estimate dated April 28, 2015: www.cbo.gov/sites/default/files/114th-congress-2015-2016/costestimate/hr4270.pdf.
- f. House Report 114-640 accompanies the bill (H.R. 2577), making appropriations for the Departments of Transportation, and Housing and Urban Development, and related agencies for the fiscal year ending September 30, 2016, and for other purposes. Division A of House Report 114-640 contains the Military Construction, Veterans Affairs, and Related Agencies Appropriations Act, 2017.
